## WELCOME TO HIBERNATION

Young Enterprise Team 2021

Our team is special because it is composed of people from a wide range of backgrounds. For us, it was so important to highlight this in our brand and product. In a time marked by divisions and global polarisation, we wanted to unite people through our unique vision. Our products feature items to help people relax or sleep peacefully, which is especially important during these stressful times. This is a composite package formed of varying culture and material inspirations. Through our self- care platform we seek to engage people with the beau
